GALLERIA AT CRYSTAL RUN CARES

2021 YEAR IN REVIEW

Serving The Town Of Walkill For Three Decades

The Galleria at Crystal Run opened its doors to the public on April 2, 1992. Some of the original tenants such as Sweet Feelings Jewelry and Cohen's Optical remember the crowds of people lined up at the doors as the center opened at 12pm.

Over the years the center has served as a pillar of our community, hosting family traditions through countless of community events such as the annual "Mall-O-Ween", "Kids Club" summer events, fashion shows, musical performances, charity events, celebrity appearances and much more!

TO OUR FRIENDS, PARTNERS, NEIGHBORS AND GUESTS:

The past year has been a challenging one for all of us due to the ongoing COVID-19 pandemic. During these unprecedented times, the Galleria at Crystal Run continued their strong initiative to partner with the non-profit groups of the Town of Wallkill, our host community, as well as all of Orange County! Galleria at Crystal Run donated space to not-for-profits and collaborated with them to hold over 100 special events at the center in 2021. Partnering with and giving back to our community is important to us and we believe it is part of what makes the center successful. We are pleased to work with all not-for-profit organizations looking to benefit from the center, whether for a tabling opportunity or for fundraising and awareness campaigns, or to use the community room for training, or a large event in the common area, our doors are always open!

Together, we can make a difference.

VACCINATION POP-UPS

Multiple times through out the year the Galleria at Crystal Run partnered with County Executive Steve Neuhaus, Orange County Emergency Management and Town of Wallkill Office of Emergency Management and New York State to host vaccination pop-up sites to the public!

ORANGE COUNTY DEPT. OF HEALTH INFORMATION SITE

The Galleria at Crystal Run partnered with the Orange County Department of Health to provide an information table for visitors from July 27 to August 31. Each day they answered questions, handed out masks/sanitizers and provide informational packets to customers.

GIVING TUESDAY AT GALLERIA AT CRYSTAL RUN

On Tuesday, November 30, the Galleria at Crystal Run hosted a Giving Tuesday where members of the community were invited to learn about Orange County non-profit organizations, their missions, their volunteer opportunities and donate to the cause. Organizations in attendance included Jewish Family Services, Tri-County Community Partnership, Mental Health Association, The Alzheimer's Association, Orange County Office for the Aging and more.

"We were excited to connect with our community, along with other social service organizations that rely on volunteers, at the Galleria event on Giving Tuesday," said **Paula Blumenau, Outreach Coordinator at Jewish Family Service**. "Many older neighbors throughout Orange County can maintain their independence with just a little help from a Friendly Visitor Volunteer."

HOSPICE TREE OF LIFE

Every year, contributions are made to Hospice of Orange & Sullivan Counties, Inc. Tree of Life in honor or memory of a friend or loved one. That special person's name is placed on an ornament of their choice and displayed on one of three 12-foot trees in the Galleria at Crystal for the duration of the holiday season. Their donation goes to help someone who is receiving Hospice end-of-life care or bereavement support services in Orange and Sullivan Counties.

TOWN OF WALLKILL GIRL SCOUTS GENESIS BOOK CORNER

The Town of Wallkill Girl Scouts hosted their Genesis Corner Book Giveaway event at the Galleria at Crystal Run several times this year. The Genesis Corner book giveaway project was created as part of the Junior Girl Scouts Bronze Award, which focuses on the importance of giving back to the community. Guests visited the Girl Scouts in center court to receive free books donated by the Montgomery Book Exchange and learn more about Girl Scouting.

"Girl Scout Troop 099 Genesis Corner that was hosted by the Galleria Mall was a wonderful experience and was very receiving by the Community. Most that visited us received free books as well as information on joining Girl Scouts. The project earned my 5th grader the highest Girl Scout Award at that level. I as the Troop Leader look forward to more collaboration in the future."
